

DENNIS WATER DISTRICT
Minutes of the Board of Water Commissioners Meeting held
April 24, 2012

A meeting, having been duly posted, was held this date at Nathaniel H Wixon Middle School, Route 134, South Dennis. The meeting was called to order by Paul F. Prue at 6:15 PM.

The following Commissioners members were present: Charles F. Crowell and Peter L. McDowell.

It was explained by Mr. Larkowski that there is an opportunity to purchase a new mower prior to July 1, at a substantial cost savings. The appropriation for the purchase of a new mower at the Annual District Meeting had been originally recommended by the Board of Water Commissioners to be taken from Water Revenues of FY 2013. The Superintendent is requesting that the Board of Water Commissioners recommend that the \$5,000 for the purchase be made from Free Cash so that the purchase can be done immediately and prior to the beginning of the new fiscal year. It was noted that this does not change the total amount to be transferred from Free Cash as the Treasurer has recommended adjusting the split allocation of funds between water revenues and Free Cash for Wells 5 & 22 Iron/Manganese Removal line item. On a motion made by Peter L. McDowell, and duly seconded, the Water Commissioners ***UNANIMOUSLY VOTED: to recommend that the funds for the purchase of the new mower be transferred from Free Cash in order to take advantage of the reduced price.***

On a motion made and duly seconded, the Committee ***adjourned their meeting at 6:22 PM by UNANIMOUS VOTE.***

Respectfully submitted,

Sheryl A McMahon
Clerk
